

STEM FOR LIFE COUNT FOR LIFE PI DAY CHALLENGE

Strengthen your counting
and calculation skills with
challenges from Kumon.

COUNT FOR LIFE WITH ADNOC STEM

Theme:

Marvelous
Math

READY, SET, COUNT!

The Kumon Count for Life program is back to help you supercharge your math skills and unlock your full potential. Register today to start collecting your belts and stand the chance to win exciting prizes!

The Kumon Count for Life Program offers counting and calculation, ranging from easy to difficult - and you can start in any place you like! Everyone can participate and find their own pace and level of instruction.

THE 2024 EDITION OF KUMON COUNT FOR LIFE WILL BE LAUNCHED ON PI DAY, THE 14TH OF MARCH!

Join us for this fun celebration of mathematics and learn how you can boost your counting and calculation skills by registering for the Kumon Count for Life program.

Earn color belts and certificates as you progress through the program and sharpen your mental math skills!

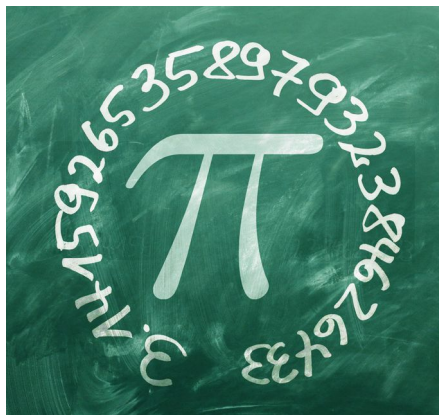

LAUNCH OF COUNT FOR LIFE - LIVE SESSION!

Join us on Pi Day to learn more about how the program works and the exciting prizes on offer!

14 March 2024 2:30-3:30pm

Please note: the Kumon Count for Life program is open to all UAE-based students. It is designed for elementary and middle school students, but children of all ages can take part!

REGISTER & SUBMIT
